

Gigabit network card, InLine®, PCI Express 1GBit/s, PCIe x1

Art.-No.: 51125K

EAN: 4043718190423

PCI Express cards provides an network connection with data transfer rate up to 1000MBit/s.

- Gigabit Lan IEEE 802.3, IEEE 802.3u, IEEE 802.3ab specification
- Data transfer rates are 10/100/1000 MBit/s
- PCI Express x1 Standard
- supports PCI Express 1.0 specification
- supports Full Duplex IEEE802.3x
- automatic Crossover detection
- for Windows 2000/XP/2003/windows 7
- System requirements: one free PCI Express Slot, Windows 2000/XP/2003
- Contents: PCIe card, drivers CD, instructions
